CREATING THE CANAL+ SIGNATURE LABEL

CANAL+ has created a new programme unit focused on the development and production of new formats: CANAL+ SIGNATURE.

Reporting to **Lyes Boudechiche**, Director of Programs at CANAL+, this programme unit will focus on creating innovative entertainment, new writing and identifying emerging talents.

It has already produced a number of Créations décalées (CALLS, THE COLLAPSE, MORTELLE RACLETTE, CHAMOUXLAND, KOKORIKO !...), as well as streaming programmes mostly reserved for subscribers (WEREWOLVES, HOT ONES, HIT THE MIC, LE MONDE MAGIQUE DE JEROME COMMANDEUR...), and Studio Bagel formats (FLEUR BLEUE, BROUTE, LES KASSOS...). Building on its successes, this unit continues to grow, with around fifteen projects already under development or in production.
